Jungle 'love cheat' babe bares boob

I'VE DONE NOTHING WRONG: Dan with Jacqueline

NIPPING OUT: Gabby

SHOWBIZ EXCLUSIVE
By JAYNE FERGUSON

COULD anyone really blame *I'm A Celebrity* babe Jacqueline Jossa's hubby Dan Osbourne if he did bang *Love Island* stunna Gabby Allen – just look at her lovely pert knocker!

EastEnders babe Jacqueline has been in tears in the jungle reality TV show after fellow campmate Myles allegedly told her he shagged his ex, Gabby, behind her back.

He said it happened on a holiday in Marbella in July 2018.

Jacqueline, 27, was reportedly devastated at the news and was even close to quitting the ITV programme to go home and confront Dan.

JUNGLE TEARS: Jacqueline

Pert

But she has decided to stay on the show – and Dan has flown out to Australia for when she gets out of the jungle.

Dan has always denied any wrongdoing and insisted he and Gabby are just friends.

But judging by this sensational snap of the 26-year-old's pert boob, he could be forgiven for having a go on Gabby.

MONDAY

BRITAIN'S Chief Rabbi urges his fellow Jews not to vote Labour in the election because – he says – Jeremy Corbyn had told a pack of lies about investigating anti-semitism in his party.

And if there's one thing Jews don't like, it's being asked to swallow porkies.

TUESDAY

THE nation reels in sadness and dismay at the sudden death of an iconic telly chef who shot to fame in the 1990s.

Mainly sad and dismayed that it wasn't Jamie Oliver.

Gary Rhodes' body will be flown back to the UK before being baked at 450 degrees for 30-40 minutes, or until ashy.

WEDNESDAY

FOOTBALL hooliganism rears its ugly head as a bunch of Napoli "ultras" are spotted in Liverpool, armed with golf clubs.

Well, they wouldn't be the first visitors to arrive at Anfield with a bunker mentality.

The Scousers hadn't seen that many irons since they last hosted West Ham.

THURSDAY

CHANNEL 4 is condemned for replacing Boris Johnson with an ice sculpture when he failed to attend the channel's leader debate. Seems fair enough to us. Most Tories are exactly like a melting block of ice: cold, slippery and a bit of a drip.

FRIDAY

LORRAINE Kelly gets hot and bothered on live televison when ex-footie star Chris Kamara jumps out of a cake for her.

A spokesman for ITV insisted the stunt was to celebrate Lorraine's 60th birthday – and was NOT her idea of a special treat for "Black Friday".

SATURDAY

TORY leader Boris Johnson faces calls to apologise to single mothers after slagging them off in a 1995 magazine article.

To be fair, it seems his words have been twisted because Boris is actually a huge fan of single mothers.

That's why he's created so many of them.

FOR I'M A CELEBRITY

Who's a Wright lucky boy, Ian!

JUNGLE STAR'S SEXY LAPDANCE FROM TWO GLAMOUR BABES

GAME OVER: Winning film sequence is done

HERE are the photos that prove *I'm A Celebrity* Ian is made of the WRIGHT stuff!

Footie pundit Ian Wright scored when he had a saucy lap dance from not one, but TWO, *Sunday Sport* babes.

The former Arsenal and England striker looked like he was in seventh heaven when gorgeous 32E Gemma Hiles, 26, and 34DD Eva Wyrnall, 25, performed the saucy routine for him.

But sadly for the TV anchor and radio host, he didn't get to ogle the girls' bare breasts, as the trio were just filming scenes for a smash British movie back in 2011.

Ian played the role of nightclub owner The Duke in *Gun Of The Black Sun*, which also stars Richard Lynch and Gary Douglas.

The movie – about a mystical Nazi pistol brought to London by bad guys bent on having unlimited supernatural powers – deals with a range of complex issues including crime, violence, neo-Nazism and the abuse of music and digital technology to resurrect and rule an Aryan race.

SUNDAY SPORT EXCLUSIVE

By JAYNE FERGUSON

Gorgeous blonde Gemma, from Preston, Lancs, said: "Ian was so lovely, he was really complimentary about both me and Eva. But he didn't try to chat us up or anything like that, he was a perfect gentleman."

I'm A Celebrity fans lashed out at Ian, 56, and camp mate James Haskell, 34, last week, branding them both "bullies" over their treatment of Andrew Maxwell.

Furious viewers accused the sportsmen of ostracising comedian Andrew from the rest of the group.

Andrew, 44, managed to win 10 stars in bushtucker trial Ark of Agony and returned to camp to announce the good news.

But just minutes later, Andrew was accused of "not being built for success" by Ian after saying that he wanted to have a nap and do the washing up later.

Kendall opens up to root for Caitlyn

CAITLYN Jenner's daughter Kendall has broken her silence on Instagram following some apparent criticism.

Called out by fans for not publicly supporting Caitlyn whilst she competes in the jungle reality show, Kendall recently uploaded an Instagram Story in defence of herself.

The post consisted of a video clip of Caitlyn learning a Girls Aloud dance routine along with band member Nadine Coyle, *EastEnders* actress Jacqueline Jossa and Adele Roberts.

She captioned this: "Always rooting for you. Strongest person on the [planet]. Just because I'm not posting doesn't mean I'm not supporting. I love my dad!"

This follows comments from Caitlyn's partner Sophia Hutchins, who appeared on *GMB* recently to set the record straight about the family's alleged silence on social media.

Sophia, 23, told co-host Piers Morgan: "I think the media has read into that a little bit too much. I think, no matter what Caitlyn does, her kids love her to death. Her kids support whatever she's doing."

James probed over club foot comment

JAMES Haskell is being probed by Ofcom over his "club foot" comment after *I'm A Celebrity* viewers claimed he mocked disability.

The rugby star was hit with 78 complaints after Monday night's show aired.

It followed a conversation with Ian Wright, when James said: "He's completely lost the plot. "Look at that club foot. Go on then, expend that energy."

Club foot – also known as talipes – is a birth defect that can mean one or both feet point down and inwards at the ankle.

It can mean children are unable to walk in future if left untreated.

Famous people with club feet include Nazi propaganda chief Josef Goebbels and rude historian David Starkey.

DUKE IS WITH KI KAREN M

FORCED OUT: Prince Andrew has sought tips on how to handle his situation

SACKED Royal Prince Andrew has reportedly been talking to devil mum Karen Matthews about how to cope with public vitriol.

The Duke of York was dropped by charities and businesses he supported, stripped of his Buckingham Palace office and staff, removed from Royal duties by the Queen and even forced to cancel his 60th birthday party next year over the Jeffrey Epstein affair.

The Prince – once popular after flying combat missions during the Falklands War – has been forced out over his friendship with the dead nonce.

Removed from his advisers, Andrew has turned to Matthews, 44, for advice.

PRINCE Andrew's woes continue to get worse after his car crash interview about his relationship with dead paedo Jeffrey Epstein.

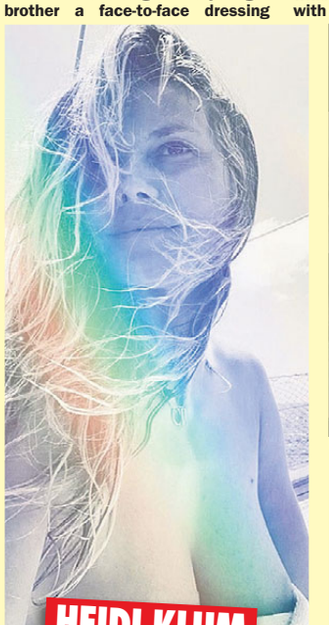
The Queen has reportedly booted The Duke's pitch@ palace business out of Buckingham Palace, Prince Charles is set to give his younger brother a face-to-face dressing down, and charities and other organisations who had him as a patron have been deserting him.

By WENDY THOMAS
news@sundaysport.co.uk

The meltdown comes after Andrew gave an excruciating performance on BBC Newsnight last weekend in which he defended his relationship with billionaire Epstein, 66, who allegedly hanged himself in his New York prison cell in August while awaiting trial on charges of trafficking underage girls for sex.

Controversy has never been far away from the Queen's second son – not least because of his colourful private life.

He's been linked with more than 1,000 women – and here are some of the famous females whose company he has reportedly enjoyed...



HEIDI KLUM

PHOTOS from the night Andrew partied with supermodel Heidi and paedo Jeffrey Epstein's alleged madam Ghislaine Maxwell at a 'Pimps and Hookers' themed Halloween bash in 2000 emerged last week.

KOO STARK

ACTRESS and artist Koo – who once went naked in lesbian sex scenes in films when she younger – dated Andrew after they were set up on a blind date in 1981. They split after 18 months together.

VICKI HODGE

BEFORE he wed Fergie in 1986, one of the beauties Andrew was linked with was actress Vicki Hodge, who had starred in the movie *Confessions of a Sex Maniac*.

DEVIL MUM: Karen Matthews was reviled for claiming that her daughter Shannon had been kidnapped

A source close to the Prince said: "He's gone from hero to zero just because he was pals with a kiddy-fiddler and may or may not have shagged a teenage girl offered to him by the pimp daughter of Britain's most notorious fraudster.

"Naturally, Andrew is quite aggrieved and bewildered by this and decided to seek out Matthews as she is someone who'll know how he feels."

Britain wept for Matthews in 2008 when she reported her daughter Shannon had been kidnapped from their home in Dewsbury, West Yorks.

But sympathy turned to fury when it turned out the story had been made up by Matthews and her halfwit boyfriend to scam money out of the public.

To this day, Matthews lives at a secret location.

A pal of the woman dubbed Britain's Worst Mum said: "Karen was astonished when she got the phone call from Prince Andrew asking for advice and she thought it was a prank and first.

"She said, 'Is that really Prince Andrew?' and he said 'yes' and that convinced her. He came round for a can of cider but he came undercover.

"Karen told him to keep his head down for a while and let it all blow over and he said 'Thanks Karen Matthews, that's been a big help'.

"She was glad to have helped as she knows what being in the firing line is like."

to randy Prince Andy

SARAH FERGUSON

FERGIE, as she is affectionately known, was married to Andrew between 1986 and 1996 and they have two daughters. Reportedly bored when he was away in the Royal Navy, she was snapped having her toes sucked by a U.S. businessman, leading to her split with Andrew.

CAPRICE

IN 2001, he was pictured as he dined with lingerie supermodel, Caprice Bourret, at St James's Palace, but no other details of their liaison have ever emerged.

ANGIE EVERHART

ANDREW, apparently a lover of redheads like ex-wife Fergie, was linked to the American actress and swimwear model Angie back in 2009.

KYLIE MINOGUE

AN Australian magazine claimed in 2017 that pop stunna Kylie had been "quietly dating" Andrew for "several weeks" – although it offered scant evidence that their claims were actually true.

Boyega: I'm to blame for Star Wars script leak!

ACTOR John Boyega has revealed he's the one behind the *Star Wars* script leak!

John says he left his copy of the closely-guarded script for the new *Star Wars* movie under his bed.

Boyega, who plays Stormtrooper turned resistance fighter Finn in *Star Wars: The Rise of Skywalker*, told US television show *Good Morning America* that a cleaner had found the script and put it on the eBay auction site.

Director J.J. Abrams said last week that the team behind the film spotted the eBay listing and got it back before it was sold, meaning the secrets in the plot are still safe.

Boyega *(above)* explained: "I was moving apartments and I left the script under my bed.

"Then a few weeks after, a cleaner comes in, finds the script and then puts it on eBay for, like, £65.

"So the person didn't know the true value."

THE VOICE OF YOUR BRITAIN

Drivers' sh*te Mayor before Christmas...

LONDON'S Labour mayor no doubt thought he was sticking one to the big tech companies when he outlawed Uber from the streets of our capital.

Of course, the pint-sized first citizen announced the withdrawal of the firm's licence was down to safety and security fears.

But did not a thrill of delight pass through his little body when he – at the swift stroke of a pen – thwarted the plans of an international corporation that often thinks itself mightier than the nation state?

But it's not Uber bosses who Sadiq Khan's ban will hurt most.

Those who will REALLY suffer are the drivers.

Some 14,000 Uber drivers ply their trade on the streets of London and many of these face a festive season without an income and with loans on their cars to service.

And one driver – reported in today's Sunday Sport – has been forced to sell his BODY to make ends meet.

Vulnerable

How can it be that a Labour politician – a LABOUR politician – has forced a poor, vulnerable immigrant to sell his virtue and his dignity after having an honest living snatched from his hands.

Khan's Uber ban shows that this man cares little about the diverse residents of the city he purports to love.

Khan cares only for his petty grandstanding.

Role models are no flash in pan

HERE at Sunday Sport we celebrate equality of opportunity.

So we're delighted to report how well some women have been doing recently.

Little Kylie Jenner, for example, is worth a cool £1BILLION and has built a profitable cosmetics company.

Role models like this are so important for young women.

Women can see that if they work hard, stick to their dreams – and get their tits out – the world can be theirs.

Neighbours hunk moaned about co-star's minge

NEIGHBOURS hunk Craig McLachlan allegedly texted a colleague urging her to come back to a show because he didn't like the smell of another actress's MINGE.

The actor, 54, faces multiple charges – including one of indecent assault, one of attempted indecent assault and others related to four victims that coincided with the stage show production.

"He told her he did not like the hygiene of his co-star," the victim's friend and a theatre producer told a Melbourne court.

McLachlan *(above)* allegedly said via texts her "vagina smelt", the court was told.

In other texts aired in court, the alleged victim messaged her friend saying she was having nightmares about the actor.

McLachlan's lawyer previously said the actor is pleading not guilty to the charges.

He will argue that some of the alleged incidents didn't occur, while others weren't indecent.

Patient-sex carer said he had 'wedgie'

A CARER convicted of sexually abusing a vulnerable resident claimed his trousers and underpants were round his knees because "he had a wedgie".

Lewis Collings, 28, was warned to expect a jail sentence, after a sheriff said his explanation "beggared belief".

Collings was caught by a colleague who walked in and saw him crouching beside the woman's bed with his trousers and underwear pulled down to his knees, Dundee Sheriff Court heard.

When questioned by managers, he claimed he'd been adjusting his clothing as he was hot and "had a wedgie".

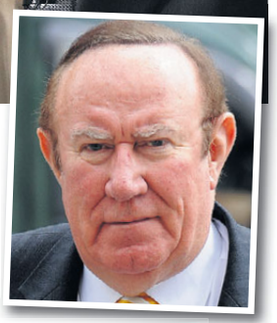
He exposed himself to the woman and lay down beside her in her bed.

Giving evidence at Dundee Sheriff Court, Collings claimed the woman accidentally pulled down his trousers as she did not like having her incontinence pad changed and struggled with him.

Asked which version of events was correct and said it was the latter, but later claimed "both".

Collings was found guilty and is in custody pending sentencing on December 23.

Boris: I dare Jezza to a soggy biscuit jizz-off... with Andrew Neil as judge



W*NKING BRIEF: Tories want Andrew Neil to oversee bellend battle

DIGEST THAT: Boris hopes to gain upper hand over Corbyn

BORIS Johnson has blown the election campaign wide open by challenging Jeremy Corbyn to a game of SOGGY BISCUIT in place of the usual leaders' head-to-head.

What's more, Tory party bosses want BBC rottweiler interviewer Andrew Neil to compere the revolting spectacle.

The PM faced criticism from Labour for "running scared" after apparently trying to dodge a head-to-head with former *Sunday Times* editor Neil, who kebabbed Jeremy Corbyn over Labour Jew-baiting during a half-hour interview last week.

SUNDAY SPORT EXCLUSIVE
By BARNEY SAMUELS

Stung by the criticism and keen to seize the initiative, Boris wants to get the upper hand and reckons a bout of Soggy Biscuit is the way forward.

Ejaculating

Soggy Biscuit is a game popular in British public schools.

Participants kneel around a digestive and furiously masturbate, eventually ejaculating on the circular treat.

The last contestant to lose his mess is obliged to eat the spunk-biscuit combo.

As Boris went to school at Eton, it's widely accepted he played many games of Soggy Biscuit after lights out.

Mr Corbyn, who went to a much lesser school – Haberdashers' Adams in Newport, Shrops – is unlikely to have been a regular player.

A Tory source said: "Labour have claimed Boris is scared but let's see who's scared now. Unless JC is prepared to go bellend-to-bellend with Boris, he'll be showing himself to be a cur and a coward."

A source close to Andrew Neil told us: "Andrew is a serious journalist and it would be frankly below him to referee a wanking contest between two party leaders."

Drunk's ban after gropes and tossing off in public

A DRUNKEN groper has been banned from every playing field in Britain pulling his pud in front of shocked teens.

Kieran Lord has also been banned from following women in the street and sent on a sex offenders' course after he grabbed two women.

All offences took place near Polsloe Road railway station in Exeter and the sexual assaults both started with him grabbing the victims' bottoms.

He had spent the day drinking on Cathedral Green and was on his way home when he encountered the young women.

Lord, aged 31, of Budlake, admitted two counts of sexual assault and two of outraging public decency.

He was jailed for six months, suspended for two years, and ordered to attend sex offenders and alcohol treatment courses by Judge Peter Johnson at Exeter Crown Court.

SKINT Katie Price was thrown a welcome lifeline by a devoted fan last night who offered his collection of 13 Mars Bars!

LOOKING FOR FUN: Ulrika

ADMIRERS of Ulrika Jonsson now have the chance to date her – as long as they are at least 50 and don't mind the company of a self-declared "nutter".

Ulrika, 52, says on a new online dating profile that she is looking for "some intimacy" – after admitting she had sex with ex-husband Brian Monet only once in eight years.

The TV presenter, who is searching for love online following her third divorce, is also after a "lot of laughs" and "some fun".

She's joined dating app Lumen, whose 1.5 million members are all 50 or over.

Most people have applauded the *Shooting Stars* favourite for jumping back into the dating swamp when most women her age are settling down to being grandmothers.

But others have made snide or even obscene comments.

Online commentator Donny Burrons slavered: "I'd probably give it a go with a floppy semi after a few pints, but never in a million years could I ever give it a proper pounding. It has not aged well, which is a shame, because I used to fap over her quite a lot back in the day when she was on *Gladiators*."

Another troll sneered, ungallantly and inaccurately: "She's had more pricks than a second hand dart board".

Sex boffin tells NHS to get us w*nking!

A SEX toy maker has written an open letter to the Department of Health urging the NHS to start prescribing WANKING to help relieve the stresses of modern life.

Sex therapist Kate Moyle of LELO UK said that prescribing masturbation as part of an integrated wellness programme "could be of benefit to some patients".

She says the idea is based on the historic approach of prescribing masturbation to treat female patients with "hysteria".

Kate (*above*) said: "Self-pleasure and masturbation can have positive benefits for our health in a variety of ways, including the release of the hormone oxytocin which can lower cortisol levels, getting to know our bodies better; and building sexual self-confidence.

"As a part of an integrated wellness programme, masturbation could be of benefit to some patients when put forward with confidence and educative information."

But masturbation is not without risks.

Medics warn that prolonged self-abuse can cause hairy palms, blindness and insanity.

Authorities say Larson told them he was "just bathing" – even though cops had witnessed him EJACULATING into the pool.

He was hauled off to the local nick where a source said: "If he does that kinda thing in the cell he'll get a kicking, danged if he don't."

Hotel staff say the pool has been drained and disinfected.

Aslan Bognavich – a Bulgarian-born scientist trained in the former Soviet Union – peddled the cows at trade fairs across Europe and online, claiming they emitted "up to 80 per cent less methane".

Gas from cows is a significant contributor to global warming.

It's believed he'd raked in more than three million euros from the cows before a spate of EXPLODING beasts in Germany was investigated by the Bavarian Agriculture Board.

Vets there found the bovine's anuses had been tightly stitched closed and the pressure caused by the sealed sphincters had caused the cows to burst.

A European Arrest warrant has been issued for Bognavich, who has fled his firm's HQ in Antwerp.

Swedish enviro-guru Greta Thunberg is being kept informed.

Prison nurse suspended for bonking murderer

A PRISON nurse has been suspended for six months after shagging an inmate.

Susan Flyger, 57, began an affair with the then 45-year-old prisoner after treating him at the jail.

The lag, identified only as 'Patient X', was serving a life sentence for murder when he was assigned to clean the dialysis area of the medical clinic – a month after his treatment ended in 2014.

From that point on, Flyger maintained an "inappropriate" relationship with the man through clandestine trysts and secret letters after opening a personal post office box under a pseudonym.

The pair exchanged at least 62 letters, as well as two Valentine's Day cards and one Christmas card, in which they discussed their "sexual desires and fantasies", according to a tribunal judgement.

The relationship came to light when staff at Lotus Glen Correctional Centre in north Queensland began monitoring the inmate's mail in December 2015 after becoming concerned by the pair's "closeness".

'Drugs for sex' doc facing jail

A DIRTY doc who admitted to trading opioids for sex with his patients has pleaded guilty to distributing controlled substances.

Dr Lawrence Valdez *(above)* is now facing up to 20 years in prison.

Valdez, 50, admitted to distributing oxymorphone to a patient without a legitimate medical purpose in 2017.

He also admitted to giving four different patients "Schedule II opioids" on 16 occasions in exchange for sexual intercourse at his practice in Hendersonville, Tennessee, from June 2016 to February 2017.

The Tennessee Department of Justice has revealed that 32 medical professionals in the state were a part of an "opioid crackdown".

And in it, Daenerys was often doffing her top to the delight of boob and minge fans everywhere.

Alongside that she gave us an amazing look at her boobs and bare bum when she posed nude and has sex with the spawny artist painting her in 2017's *Voice from the Stone*!

However, last week Emilia spoke out on her regrets about on-screen nudity and it's thought her comments led to new rules on treating female actors.

Teen girl 'cut head off' her gran's pet dog

A TEENAGE girl is facing trial charged with animal cruelty for the brutal and sadistic killing of her grandmother's pet dog.

After allegedly decapitating the Shih-Tzu dog, 18-year-old Kyoko Smith placed the dismembered head in her bedroom drawer.

Court records also stated that Smith *(above)* also cut out the dog's heart and kept it in a freezer.

And according to a police affidavit, the teenager was alleged to have sent photos of the dead animal to her mother's phone.

Police were called to a property in Miller's Pond Circle, southeast Memphis, Tennessee, where investigators say Smith quickly admitted to killing the dog.

A Shelby County judge charged Smith with killing the animal and released her on £3,000 bail.

Judge William Anderson also ordered Smith to attend counselling as part of her bail conditions.

Smith's next court appearance will be on December 9.

Trump rival's son 'bummed up arse with dildo' by strippers at sex club

'WILD' NIGHTS: Hunter Biden with dad Joe

By JAYNE FERGUSON
news@sundaysport.co.uk

THE son of the man challenging Donald Trump for the US presidency was bummed up the arse by a dildo-wielding stripper at a notorious sex club, it's been alleged.

Hunter Biden spent several thousand dollars at a Manhattan strip club during a pair of visits – including one that sent a staffer scrambling to buy the sex toy so strippers could use it on his greased anus.

Biden – who has been dogged by a series of strip club allegations – was accompanied by a woman both times he went to Larry Flynt's Hustler Club in the Hell's Kitchen area of New York City about a year ago, the sources said.

CLAIM: Trump challenger's son 'spent thousands' at club *(above)*

Drugs

On each occasion, he and his companion holed up in a private room, where they ordered bottles of pricey booze and were joined by several strippers, sources said.

During one particularly wild night, workers suspected Biden – son of former Vice President Joe Biden, the frontrunner in the Democratic primary race to challenge President Donald Trump – was high, and he was warned that drugs weren't allowed on the premises, sources said.

That same night, a worker had to be sent out to purchase a dildo so the gals could use it on Hunter, sources said.

It's unclear if the club didn't have a similar device on hand, or if he insisted on a brand-new one fresh out of the package.

Despite the lurid allegations, Hunter was described as an almost-ideal customer.

"He was a pretty nice guy," one source said.

"He was pretty friendly and he was also a pretty good tipper."

Hunter's personal lawyer and spokesman, George Mesires, didn't return messages seeking comment.

Hunter Biden served on the board of a Ukrainian energy company.

And it's alleged President Trump threatened to withhold military aid to the former Soviet republic unless the Ukrainian government dished dirt on the Bidens.

Sex screw brought lag drugs and baccy

A RANDY female screw gave drugs, tobacco and a mobile phone to a lag she was shagging.

Savannah Martin, 32, faces up to 20 years in prison for her sex-driven antics.

Martin was recently fired from Grand Forks County Correctional Center in North Dakota due to a non-related incident, according to court documents.

Grand Forks Sheriff's Office investigator Nicole Dvorak received a call from a woman reporting that her boyfriend, an inmate at GFCCC, had been seduced by a correctional officer, according to an affidavit for Martin's arrest.

The previous day, a search of the inmate's cell had turned up a mobile phone, a vape pen, battery packs and super glue used to help hide other items.

The vape pen cartridges contained THC, a psychoactive compound of cannabis.

All the materials were allegedly delivered to the inmate by Martin *(left)*.

In an interview with Dvorak, the inmate admitted having a sexual relationship for several months with Martin – which started as talking, passing notes and texting via his jail issued texter.

Eventually, Martin brought him the mobile phone to continue talking and to exchange pictures with him, the inmate alleged.

He also said that he and Martin had sexual contact in his cell on multiple occasions while she was working.

Martin will appear in the Grand Forks County District Court on December 30.

Dancer kicks stripper club boss in balls

A STRIPPER was nicked after she kicked a club manager three times in the BALLS.

The victim had asked exotic dancer Lakiesha Harrell Ortiz, 35 (*above*), to leave for the evening when a row began.

Ortiz threw beer bottles and glasses before club security staff restrained her and took her to a back room.

As colleagues tried to calm her down, Ortiz kicked the manager "directly in his genitals, while she was wearing high heel exotic dancer shoes," a police report states.

"After being kicked, the victim backed up a couple of steps and she kicked him for a second time in the stomach."

Cops arrived soon after and escorted Ortiz out of the club, at which point she kicked the hapless manager a third time.

Ortiz, of Clearwater, Florida, was arrested on charges of battery and disorderly conduct.

She was released on a £500 bail.

Hooker a letdown? Now you can sue!

NEW laws will allow unhappy punters to SUE hookers if they don't come up with the goods!

The landmark Sex Industry Bill 2019 allows the industry to operate within existing laws applicable to other fields.

That means sex work will be completely legalised in Australia's Northern Territory – but it also means hookers will have to play by the same rules as other service providers.

The Australian arm of the Women's Human Rights Campaign fears the legislation may create 'unfair opportunities' for clients to sue.

Spokeswoman Helen Pringle tromboned: "Empowering men to sue women who withdraw consent to sexual acts legitimises sexual assault as a contractual obligation."

A GOOD giggle.

That's what you want to brighten your life when you're watching telly in the middle of the day.

Something that shines through all the serious crime thrillers and clever psychological dramas.

Something which cheers up a gloomy winter's day when it feels like Britain has been blanketed in grey cloud for months and there's a General Election looming and the world seems to be falling apart.

Well, *The Mallorca Files* on BBC1 each weekday, right before *Doctors*, fits the bill perfectly.

Set on the sunny Spanish isle of Mallorca, this 10-part BBC daytime drama is written by *Good Karma Hospital*'s Dan Sefton and features a brilliant partnership in the form of uptight British cop Miranda Blake (Elen Rhys) and laid-back German policeman Max Winter (Julian Looman).

It also stars Amy Beth Hayes as Leanne Mountford.

And would you believe it? We have snaps of Elen and Amy in the altogether!

DON'T buy plop sloths for Xmas

MUMS and dads have been warned NOT to buy this year's must-have pet for Christmas – the Shit-Eating Plop Sloth!

The vile creatures were discovered in South America back in 2011 by stunned scientists, who found the slow-moving critters living in sewers and feasting on human excrement.

Since then, numbers of plop sloths have boomed.

And gangs have taken to exporting them to the USA and Europe via unscrupulous pet dealers.

A source said: "For one thing, sloths are not pets. They should live in the wild.

"For another, you would not want a plop sloth in the house.

"They are riddled with germs and parasites and may even spread the AIDs."

The two-toed sloths were originally found at a research station called Estación Biológica Quebrada Blanc in north-east Peru, quite happily scooping up a liquid poo mixture with their hands.

CRAP GIFT: Vile critter

The researchers wrote in a 2011 paper: "It was scooping with one hand from the semi-liquid manure composed of faeces, urine and toilet paper and then eating from the hand.

"When more persons gathered around the latrine to watch this bizarre behaviour, the sloth emerged from the latrine and climbed into the nearest tree."

At first, scientists thought that the unusual behaviour they were observing could have been a sick and confused sloth.

Snacking

But they soon dismissed this theory after recording 26 instances of different sloths snacking on human excrement that they scooped straight from the toilet pit.

The sloths always conducted their stomach-churning activity at night – which was in keeping with their nocturnal habits.

Youth filmed school sex for online post

SHOCKING: Lad's school

A TEENAGER secretly filmed himself having sex with a 16-year-old girl inside a high school locker room – then posted the raunchy footage online.

The 17-year-old was taken into custody after a staff member told a school security officer that the lad had uploaded the video.

The youth, who cannot be named for legal reasons, made the recording without the girl's consent and then posted footage of the encounter onto social media, cops said.

By BARNEY SAMUELS
news@sundaysport.co.uk

Violating

He was arrested and taken into custody on two charges – promoting a sexual performance by a child, unlawful surveillance and of endangering the welfare of a child.

The teenager was later released to his parents and is due to appear in court this week.

Administrators for the Ravena-Coeymans-Selkirk High School in Ravena, New York, declined to comment.

In addition to the criminal charges, the student will also be disciplined for violating the school's code of conduct, the school district announced in a statement.

They said: "This is not the first time students at RCS or other schools have utilised social media with extremely poor judgment, resulting in harm to other students or in breaking the law.

"We are faced with a cultural insensitivity to the ramifications of sharing personal information, violating privacy, or harassing or threatening other people on social media."

Pimp cut hooker girlfriend's body into nine pieces

A PIMP has admitted dismembering his prostitute girlfriend and keeping her head in his freezer.

Jurors convicted Somorie Moses *(above)* of negligent homicide and concealing a corpse for the death of Leondra Foster in 2017 – but found him not guilty of murder because there was no proof he actually killed her.

Medical examiners determined that Leondra had died from blunt force trauma.

Moses – who goes by the handle "Sugar Bear" and described himself as a "gangster pimp" – cut Foster's body into nine pieces before stashing her head, hands and feet in a stand-alone freezer.

He arranged for her headless torso to be tossed into a tip by a friend.

Moses faces up to four years in prison when he's sentenced in Brooklyn on December 18.

Truckload of chocs nicked

SWEET-TOOTHED thieves pinched truck carrying 20 tons of chocolate worth £50,000.

The truck was loaded at a Milka factory but it bore a stolen licence plate and the driver, truck and chocs are missing.

The company in charge of the transport had outsourced it to a Hungarian company, which in turn tasked a Czech firm with the job.

A driver picked up the load using fake papers then vanished with the goods.

Police in Bludenz, Austria, said choc theft on this scale was rare.

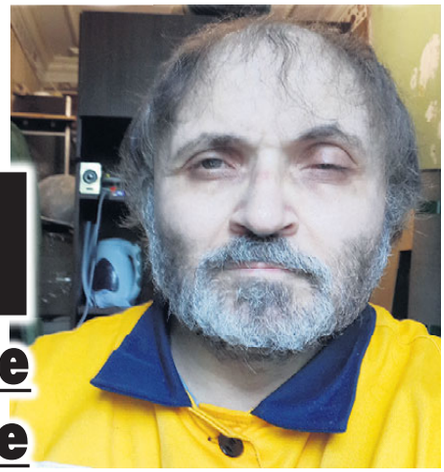
UBER DRIVER SELLS SEX AFTER LONDON BAN

Iqbal says he's having to 'pleasure ladies' to keep food on the table



SPECIAL DELIVERY: Iqbal gives randy babes a 'thorough servicing'

AN Uber driver who has been driven out of work by London mayor Sadiq Khan says he's now selling himself for SEX to pay his bills.

SUNDAY SPORT EXCLUSIVE
By WENDY THOMAS

Instead of driving passengers across the nation's capital in his pristine Toyota Prius, Iqbal Moreshi, 50, says he has been reduced to flogging the fruits of his loins to randy ladies he picks up online.

Labour's Mayor Khan announced last week that he was removing the licence of Uber drivers to operate across London amid concerns over safety.

The decision means up to 45,000 drivers – many of them from immigrant backgrounds – could find themselves out of work in the most expensive city in the UK just weeks from Christmas.

And Iqbal says he's been forced to take desperate action just to ensure the mortgage on his east London flat can be paid – and to raise cash to pay for his kids' Christmas presents.

The divorcee said: "I've lived in the UK for nearly 20 years and I've always paid my way.

"I used to work for a minicab firm, but it wasn't really up to scratch, and when Uber started operating in London I jumped at the chance.

Dating

"It meant I could work my own hours, allowing me to take the kids to and from school for instance and make a decent living out of it too."

Uber is an app that people download to their mobile phones and is attached to their bank accounts.

Passengers can use a real-time tracker on the app to see exactly where their driver is while they wait, and they are also given notice of the exact fare to expect.

Passengers are then given the opportunity to "rate" their drivers – something Iqbal says he now uses for his sex services.

He said: "I've deleted my Uber details and replaced it with a dating app instead.

"It's not as reliable workwise as Uber, but at least it's work – and at least it makes people happy.

"I charge £20 to lick out fanny – a fiver more if she's a munter.

"I do the full sex for £30 but give a discount for anal as I like doing them up the arse.

"If I give my lady clients a thorough servicing, I can often get a five-star rating.

"I'm not a young man any more, but in many ways that helps as it takes me so much longer to reach completion."

Miss who sucked off teen won 'Teacher of the Year' gong

A WOMAN named Teacher of the Year has been nicked for sucking a pupil's cock and sending lewd texts.

Randi Chaverria, 36, is accused of having sexual contact with the student multiple times during the autumn term this year.

She resigned from her post after the allegations came to light.

Cops say texts between Chaverria and the teenager appeared to back-up the claims.

According to the pupil, she performed fellatio on him twice – to completion – in a classroom twice in October.

Chaverria was charged with improper relations after she handed herself in last week.

AWARD: Chaverria is given top honour

She has since been released after posting bail and is yet to enter a plea.

Chaverria, who worked at Round Rock High School, in Texas, had passed a background check from Public Safety officials before she was hired.

She was awarded Secondary Teacher of the Year in May last year and also led an "Adopt-A-Child" project in the community.

At the time of her award Chaverria said: "The most important role of a teacher is to help shape future generations to become successful members of our community."

She made no mention of sucking their members.

10 things you might not know about THE NHS

BORIS Johnson is going to sell the NHS to Donald Trump.

BORIS Johnson is not going to sell the NHS to Donald Trump.

Who to believe? Both? Neither?

Our poor NHS has been a political football since it was created after the war and throws out a bewildering welter of statistics that politicians use for their own ends.

But what do we know about the NHS? What are the facts?

Here are a few…

1 **IT'S the world's fifth biggest employer after the Chinese People's Liberation Army, the US Department of Defense, Walmart and McDonald's.**

2 SYLVIA Beckingham, then 13, was the first NHS patient in July 1948 at Park Hospital (now Trafford General) in Manchester. She had acute nephritis, a potentially fatal liver condition.

3 **PENICILLIN was so scarce at the outset of the NHS that it was recovered from patients' urine to be used again.**

4 77 PER CENT of those employed by the National Health Service are women.

5 **NHS ambulances make over 50,000 emergency journeys each week and the NHS deals with over one million patients every 36 hours.**

6 THE oldest person to have an NHS hip replacement was Gladys Hooper, who was 112 years 264 days when the operation was performed at St Mary's Hospital, Isle of Wight, on 9 October 2015. She died the next year.

7 **EACH trip to casualty costs the taxpayer £45 for each simple in-and-out, rising to about £400 for more complex investigation and treatment.**

8 CHARGES for prescriptions, dental treatments and spectacles came into force in 1952. Prescription charges were abolished in 1965 and remained free until June 1968, when the charges were reintroduced.

9 **89.4 PER CENT of all prescriptions are free, though – thanks to various exemptions.**

10 Those NHS cuts you keep hearing about? NHS net expenditure increased from £78.881billion in 2006/07 to £120.512bn in 2016/17.

Race fury frauds are so tiresome

THERE are some people – no, many people – out there who have eyes like shithouse rats when it comes to spotting a real or imagined racial slight.

These unfortunates seem to perpetually patrol Twitter, that swamp for the perpetually offended.

Love Island star Molly-Mae Hague is the latest celebrity to fall foul of these self-appointed guardians of political correctness.

The 20-year-old social media influencer sparked debate online after sharing a makeup tutorial in which she demonstrates using a foundation shade darker than her skin tone.

The most offensive thing I find about the whole situation is that "social media influencer" is a job title these days.

But no.

Apparently, by using this blusher (MAC foundation in shade NC42, in case you're interested) Molly-Mae is committing a crime along the lines of rubbing soot into her cheeks and singing "Mammy!"

One easily-triggered denizen of Twitter calling herself Maz Ullah, ranted: "Molly-Mae uses NC42. I, a brown woman use NC42 foundation."

Another lady, identifying herself as Kay, foamed: "Sorry but the shade that Molly-Mae is doing her makeup with is MY SHADE and I'm black? and I wonder why I can never get it!"

I'm not sure what point Kay was trying to make.

She and her sisters can't get their fave shade of foundation because it is being snapped up by the white girls?

F**k me!

And we all thought apartheid was bad.

However Molly-Mae is not the only one…

TV presenter Eamonn Holmes found himself at the centre of a race row after calling Meghan Markle "uppity".

The *This Morning* host received an Ofcom complaint for discussing the Duchess of Sussex's attitude at Wimbledon when she refused to have photos taken of her in the Royal box.

Speaking on the daytime show, he said: "If you have an uppity attitude, you're only through the door two minutes and suddenly you're sitting at Wimbledon and your Royal protection are saying, 'No photographs!'"

Diversity

A shocked viewer complained to broadcasting watchdog Ofcom and the network's Head of Diversity, Ade Rawcliffe, that the word "uppity" historically has racial connotations.

No it didn't.

The phrase "uppity n****r" had racial connotations, not the word "uppity".

Look, I know there is racism still in Britain. Every decent person knows it has to be condemned.

But these people shrieking racism at every turn are little more than frauds.

But seeing racism where there is none, inventing offence where none is meant and parading outrage to signal your virtue is nothing other than being just plain f**king TIRESOME.

UNFORTUNATE: Gwenneth in pic day after Black Friday party

Teacher BLACKED UP for boozy party . . . and it won't come off

SUNDAY SPORT EXCLUSIVE

By BARNEY SAMUELS

TO this day, Gwenneth Phillips is not sure why she and a group of pals decided to throw a party to mark the bogus retail bonanza of Black Friday last year

But drink – and lots of it – was involved.

What she does know is that when she woke on the following Saturday, her face had been painted black using a noxious mixture of soot and boot polish.

Worse, the blackface stubbornly refused to come off.

And as if striding about in a racially-unacceptable getup were not bad enough, 36-year-old Gwenneth is a primary school teacher – and the Monday after the party was class photo day!

Last week she was cleared by a professional standards board after the class photo of her wearing blackface appeared online.

Gwenneth – who was briefly suspended from the school where she teaches – said last night: "It has been a very trying year.

"I did not wear blackface to take the mickey out of the ethnics or anything. To be honest, I'm not sure why I blacked up. It may have been something to do with Black Friday.

"But why were we having a party for Black Friday? I've learned my lesson. No more drink for me. Just cider."

A spokesman for the mid-Wales school where Gwenneth teaches – which cannot be named for legal reasons – said: "Gwenneth is a superb teacher. Then you have those interfering sorts from Cardiff come here, sticking their beaks in…"

HOPING TO HAMMER SALES: Sutcliffe in his 2020 calendar

RIPPER & ROSE RELEASE RIVAL CALENDARS

SIMPLY THE WEST: Killer Rose expects to shift loads

Gloves are off as sickos battle for Xmas sales

SUNDAY SPORT EXCLUSIVE

By SIMON DEAN

THEIR crimes stunned the world and were of such barbarity that neither will breathe free air ever again.

But do not think there is any love lost – or even a grudging professional admiration – between Yorkshire Ripper Peter Sutcliffe and House of Horrors death mother Rose West.

Because the sick pair are BITTER rivals.

Sutcliffe, who is serving a whole-life sentence at Frankland Prison in Durham, refers to West as "that bloody woman".

For her part, West spits her content for the Ripper, calling him – in a reference to his stay at Broadmoor Hospital for the criminally insane – "the hammer nut".

Now their rivalry has gone public as the two battle for top Xmas sales of their "official" 2020 calendar.

A source close to Sutcliffe – sentenced to life in 1981 for the murders of 13 women – said: "If you're after a calendar featuring a serial killer in amusing seasonal poses, this is for you."

And a source close to Rose – an inmate at Low Newton nick in Durham – said: "The Ripper's calendar is shit and probably a fire risk."

Man had sex on mattress hiding ex-lover's body

A MAN hid his dead flatmate's body with a mattress and then had sex "multiple times" on top of it.

A jury unanimously convicted Clayton Howard, 56, of abusing a corpse after a 10-day trial in which he served as his own lawyer.

Neta Mangum, a 59-year-old woman living with Howard, died of an accidental drug overdose.

Her family couldn't get in touch with her and believed someone else was using her phone to respond to their text messages.

Police said Howard had Mangum's phones, credit cards and some jewellery at the time of his arrest.

Prosecutors in Multnomah County, Oregon, said Howard had covered Mangum's body with clothes, plastic containers and a mattress.

He and a woman continued to use drugs and then had sex "multiple times" on the mattress.

Howard *(above)* will be sentenced on December 3.

Kelly's keen to turn up heat!

By WENDY THOMAS
news@sundaysport.co.uk

KELLY McGregor is already fed up with winter and is planning a trip to the Middle East for some sun.

The Stoke-on-Trent babe, who's 27, says all the rain and cold is getting on her 32DD tits – so she's booked a flight to Dubai where she can expect 28 degree heat.

Careful

She moaned: "It's dark, miserable and wet. I'm fed up of it – and winter has only just started.

"So last week I Googled cheap flights and booked a luxury hotel.

"I leave the first week in December and can't wait.

"I have to be careful, though. Last time I was there I went topless and someone told me I could have been arrested and sent to jail."

GIRLS TALK SEX!

'I love the power of pegging, and I make them suck it off after...'

PETRA, 33, CARDIFF

I DIDN'T start out as a professional mistress.

I was mostly doing girlfriend experiences and doing pretty well for myself.

But then a regular client asked me if I'd help him fulfil his fantasy.

He said he wanted a woman to force him to strip naked and belittle and mock him.

It seemed like easy money but I found I really enjoyed it and was actually pretty turned on by bossing him around.

I looked into it more and did some research and found out there was a whole world of kink I knew very little about.

Dominatrix

Now I'm a professional dominatrix – and I love it!

I still see that original client and he's a lot more kinky now.

He's basically my sex slave and I try out all kinds of sex acts on him.

He was the first person I pegged – which is using a strap-on dildo to shag a bloke up the arse.

I love that – I love the power of it and like to make them suck it off afterwards, too!

I don't know what it is that makes these men crave sexual humiliation but I don't care.

There's no judgement from me because I get really turned on doing it!

DEE, 23, GLASGOW

'I force male clients to dress up in women's underwear'

I'VE always been dominant in the bedroom.

When I was 18 one of my first boyfriends dumped me because I wanted to spank him!

So when I graduated from university with a degree in psychology and I was struggling to find a decent job I decided to become a professional dominatrix.

What could be better than earning a living doing something I love?!

And it's allowed me to explore my sexuality.

I always liked being in control.

With previous boyfriends I did things like sitting on their face and forcing them to lick me out, or stripping them naked and whipping their arse cheeks until they were glowing red.

But my fetish for domination goes much further than that…

And thanks to my clients I know exactly what turns me on.

I love to totally humiliate a man.

Strap-on

I love forcing male clients to strip and dress up in sexy women's lingerie before forcing them to suck my strap-on dildo.

Or tying them up and dripping hot candle wax all over their body, so they are screaming in agony… and ecstasy, of course!

I've got my own dungeon with all kinds of terrifying implements and I love the look on a man's face when he sees it for the first time.

Most of my clients are married or have girlfriends but they just don't feel comfortable telling their partners about their deepest fantasies.

Most are worried they will be rejected.

But that will never happen with me.

I provide a safe space – even if they are about to get spanked until they scream!

'They can't orgasm unless I tell them'

HANNAH, 24, MANCHESTER

I DO all kinds of odd things thanks to my career as a dominatrix.

But the weirdest really has to be chastity play.

I've got five men who all pay me to lock their cocks up in a cage and hold the key.

In that position they can't get an erection without my permission and they can't orgasm unless I tell them.

I totally control them.

As a keyholder these men are my property and I can do whatever I see fit with them.

If they say no then I might never let them out!

Sometimes when they see me, I unlock them and let them play with themselves or I'll touch and tease them until they're right on the edge of orgasming.

Then I stop and throw ice on their knob so they lose their erection and I lock them up again.

I like being cruel. It turns me on.

My other kinky speciality is rope bondage – this is where my clients are left tied up and helpless and completely at my mercy.

They love the feeling of being totally out of control and I love the feeling of being totally in control!

So it's a win-win situation…

My perfect Sunday...

Claudia Dean, 25, 32DD, of Twickenham, south-west London

IT'S a bit unusual but my perfect Sunday involves me making my own curry from scratch.

I've always been a big fan of takeaways but six months ago I started researching how to make them myself.

It was so interesting I ended up going on a cooking course to learn how to make the perfect curry.

Now every Sunday I get my spices out and make myself a lamb vindaloo or chicken madras.

I make my own chapattis and everything.

I love to invite all my friends round and we all have a big feast.

And if we all end up getting drunk and snogging each other, all the better!

PUB TALK

THE pub is a great place to meet old mates, relax and have a laugh over a couple of drinks.

Each week in *Sunday Sport* our reporters visit a British boozer and ask babes to spill the beans on their sex lives!

Here we get the lowdown from a pair of saucy stunnas from Maidstone in Kent…

TANYA STEPHENS
AGE: 20
OCCUPATION: Fashion student
FAVE DRINK: Rum
FAVE FOOD: Indian
FAVE FILM: *Frozen*
FAVE ACTOR: Andrew Garfield
FAVE HOLIDAY: Morocco

SALLY FORD
AGE: 21
OCCUPATION: Bar manager
FAVE DRINK: Gin and lemon
FAVE FOOD: Italian

ONE-NIGHT STANDS

TANYA: What do you look for in a bloke you want to have a one-night stand with to guarantee he's a good shag?
SALLY: I'm really shallow. I go for good looks and a nice fit body! Those sort of guys are usually experienced and can go like a rabbit!
TANYA: What do you like about one-night stands?
SALLY: You don't have to be embarrassed because you'll never see them again. It means you can lose your inhibitions and live out your fantasies!
TANYA: I go for tall, dark, handsome blokes and I'll only have a one-night stand with him if I know loads of other girls are trying to pull him as well, to make them jealous.
SALLY: What else is important for a good one-nighter?
TANYA: A big hard willy is always good! I always grope their crotch to see how big they are!

FOREPLAY

SALLY: What's your favourite kind of sex?
TANYA: I like it really slow and sensual with loads of foreplay and then shagging doggy-style.
SALLY: What's your favourite foreplay?
TANYA: I like his tongue in every hole, if you know what I mean, and I enjoy being stroked as well.
SALLY: I prefer slow sex too. When it's fast it never lasts very long! I only like it rough and ready if I can't be bothered.

BEST GIRLY NIGHT OUT

TANYA: Have you had any outrageous nights out?
SALLY: Yes. I went on a friend's hen party and it descended into chaos when we got drunk.
TANYA: What happened?
SALLY: I ended up groping a policeman. The bride-to-be disappeared down a back alley with a bouncer! It was obviously her last shag before she got married but it was embarrassing at the wedding, knowing what I knew!
TANYA: My best night out was a pub crawl. I got really drunk and ended up pulling a bloke who was at least 16 stone – he even had man boobs!
SALLY: You didn't sleep with him did you?
TANYA: No, my friends dragged me away! I was really embarrassed when I saw the photos a few days later.

OH-NO MOMENTS

TANYA: When my parents were away I took my boyfriend back to their house. We started shagging on the kitchen table and I was just getting into it a neighbour walked in! She'd come to feed the cat.
SALLY: Did she tell your mum?
TANYA: No, but it was very embarrassing!
SALLY: My worst moment was when I was on top of a bloke during a one-night stand and just as we were both about to orgasm I got cramp in my leg. I started slapping my thigh to make it go away and he thought I enjoyed being spanked, so he started spanking me! He must've thought I was really kinky!

FIRST-TIME SEX

TANYA: Was your first time good?
SALLY: No. it was horrible. I was 16 and did it with my boyfriend in his bed. It only lasted 10 minutes but I hated it.
TANYA: What had you been expecting?
SALLY: I thought it'd go on for hours! I was really disappointed.
TANYA: I lost my cherry to a guy I met when I was 17 and in Tenerife on holiday. He was a holiday rep and we were both really drunk when it happened. We did it on a sun lounger.
SALLY: Any good?
TANYA: To be honest, I was too drunk to remember it. He was really fit, so even though it only lasted 10 minutes I didn't mind.

> "We were shagging on the table when a neighbour came in to feed the cat!"

LESBO LOVING

SALLY: Would you ever get intimate with another girl?
TANYA: Yes, I'd like to experience it. It'd have to be with a stranger though!
SALLY: Would you go muff diving?
TANYA: Yes, as long as the favour was returned! I love getting oral sex from fellas.
SALLY: I'd like to go muff diving! One of my friends went down on me when we were really drunk but I couldn't relax enough to enjoy it.

THREESOMES

SALLY: I'm planning on having one because it sounds really naughty!
TANYA: Do you want to do it with two guys or another girl?
SALLY: Another girl and a guy, they'll have to be really close friends so that there are no problems afterwards!
TANYA: I haven't had one yet. I couldn't do it with people I knew! It'd be too awkward.

BIG WILLIES

SALLY: I had a one-night stand with a guy who had an eight-inch willy. When I saw it I was quite scared and nearly bottled it because it was so big and fat!
TANYA: Was it good?
SALLY: No, it was painful. I like bigger than average but eight inches was too big.
TANYA: I went out with a guy whose willy was just under nine inches long, he was crap in bed though! It may as well have been on his head!

BUM FUN

SALLY: Have you tried taking it up the wrong 'un?
TANYA: Yes. My boyfriend was pestering me to try it and I thought it would be painful but I really enjoyed it. We've done it a couple of time since too, but only for special occasions.

STRANGEST PLACE

TANYA: What's the strangest place you've been porked?
SALLY: I shagged my boyfriend in some bushes when we were walking home once. It was kinky but quite painful because there were thorns poking into my bum!
TANYA: The best place I've had sex was in a hotel lift. I'd been out with my boyfriend and we were both drunk. We started on the ground floor and pressed the button for the 20th floor! By the time we got to the top he'd come. It was nice. I got to watch him banging me in the mirrors!

FAKING IT

SALLY: I've faked countless orgasms when I'm tired. You just increase your breathing and make a bit of noise and blokes always fall for it. It's a lot easier than having to explain to them that they're not doing it for you!
TANYA: With one of my old boyfriends I used to fake it a lot because he was crap, but I didn't want to offend him.

DRESSING UP

TANYA: I wore a rubber catsuit for my boyfriend once. It was really arousing for both of us and the sex was exciting.
SALLY: I dressed up as a schoolgirl for my fella and that went down well. I'd never seen my ex-boyfriend so aroused.

SEX TOYS

SALLY: I've got a dildo. I only really use it between boyfriends or when my bloke is away. It always hits the right spots and it's nice being self-sufficient!
TANYA: I've never tried a vibrator but I'd like to. I must be the only girl who hasn't!

SOFA SO GOOD! Rebecca takes it lying down
TELEVISION X

SHE'S A MAN EATER!

TASTY TREAT: Rebecca is always hungry for cock

NO ONE has an appetite for men like Rebecca Jayne Smyth... and she is back on your Television X screens next weekend, starring in her saucy new series *Rebecca Jayne Smyth: Man Eater.*

She has featured in *Linsey Dawn's Dick Hungry Divorcees*, with the hottest hot tub scene we've seen, and more recently the award-winning *Bodyguard XXX* alongside TVX favourite Pascal White.

And now you can catch FIVE brand new episodes as Rebecca hunts men for fun, devouring everything they have to offer before moving on to her next cock feast.

Shooting with Britain's dirtiest MILF Lacey Starr, you can expect to see Rebecca in some of her filthiest scenes with top quality shagging.

It's not the first time the two have worked together, with Rebecca getting some advice about sharing men from *Dr Lacey: Sex Therapist*.

Horny

We caught up with Rebecca this week and she told us: "Anyone who's watched me before knows that a Man Eater is exactly what I am and it's what I do best.

"Men are my favourite thing in the world and taking their cocks makes me so horny. I just love sex and want to orgasm as much as possible.

"Lacey is the best! She is an inspiration and one of the nicest people I've met.

"And one of the naughtiest."

To watch insatiable MILF Rebecca as well as the top UK tarts, call 0330 030 6969 to subscribe to Television X or visit Televisionx.com.

TODAY

TOMORROW

Last Train to Transylvania – C5, 9pm

Along the way he visits a place that is claimed to be the world's spookiest wood, stops off at the birthplace of the gruesome Vlad the Impaler and heads to Bucharest to look at the vast edifices of dictator Nicolae Ceausescu.

A Very Yorkshire Brothel – ITV, 11.15pm

OF THE TELLY

Potters out for top spot

***Live Snooker: UK Championship* – BBC2, 1pm**

COVERAGE of the fifth day at the Barbican Centre in York, featuring matches in the last 64 of the prestigious ranking tournament, won last year by Ronnie O'Sullivan.

All contests in this stage of the competition will be played over the best off 11 frames, with the winners progressing to the last 32, which begins tomorrow.

Hazel Irvine presents the action, with commentary and analysis from Steve Davis, John Parrott, Ken Doherty, Stephen Hendry, Alan McManus, Dennis Taylor and John Virgo.

***Formula 1 Abu Dhabi Grand Prix Highlights* – C4, 6.05pm**

STEVE Jones presents action from the 21st and final round of the campaign, held at the Yas Marina Circuit.

As was the case last year, Lewis Hamilton goes into the race with the championship already secured, but will nevertheless have been looking to emulate his victory here in 2018. Analysis from David Coulthard and Mark Webber.

***The ITV Election Debate* – ITV, 7pm**

JULIE Etchingham hosts a debate to which seven parties in the General Election campaign have been invited, ahead of the poll on December 12.

The parties are the Conservatives, Labour, the Liberal Democrats, the SNP, the Brexit Party, the Greens and Plaid Cymru.

Brexit is likely to be high on the agenda for this debate, along with issues including the NHS, crime, education and climate change.

It's going to look like the shittest edition of *The Weakest Link* ever.

Who'll win the election? Hint: It will be a liar.

TUESDAY

***First Dates* – C4, 10pm**

A MODEL with dreams of becoming a singer seeks a man who can help her feel more confident in herself, and may find what she is looking for in an aspiring fashion designer.

An 80-year-old man tries to convince his date that the mistakes that led to his three divorces are in the past, and a 26-year-old woman who already has her wedding planned looks for an affluent older man to complete the picture.

Paternoster Chop House restaurant maître d' Fred Sirieix (*right*) as usual adds lurve bits to camera as Brian Protheroe narrates.

***Koko: The Gorilla Who Talks to People* – BBC4, 10pm**

DOCUMENTARY exploring the story of the only `talking' gorilla in the world, Koko, and her lifelong relationship with animal psychologist Penny Patterson.

Project Koko began as a PhD project to teach sign language to a baby gorilla, but an intense bond formed between the pair, and they have now been together for over 40 years.

More than 2,000 hours of footage chart the most dramatic moments of Koko's unique life with Penny, from the battle to prevent the gorilla being taken back to the zoo in which she was born, to a clash with academic critics.

DON'T MISS THIS!!!

***Wild West: America's Great Frontier* – BBC4, Thursday, 11pm**

DOCUMENTARY exploring the history and geography of America's deserts, canyons and wilderness, exploring the lives of the people and animals that have found ways to thrive and prosper in these brutally inhospitable conditions.

The first programme examines the agricultural traditions of the Hopi Native American tribe in north-eastern Arizona, as well as exploring the strategies used by a variety of wildlife, including mustangs, coyotes and desert tortoises, to survive in these demanding environments.

LEGENDS OF PORN

PART 84

CHERIE DeVILLE

STUNNING Cherie DeVille is not only one of the world's most successful porn stars – she's also a politician too.

By PENNY MARSHALL
news@sundaysport.co.uk

Cherie, 41, even planned to run for U.S. president in 2020.

But her real love is taking a huge cock up her arse on camera.

The stunna – who has a doctorate in physical therapy – started off just doing girl-girl scenes but soon chose to get banged on film.

She said: "It was something I figured I would give a chance."

And if she doesn't like the bloke she's shagging she doesn't care because she knows he'll be a good bonk.

She laughed: "Let's say there's a male performer and I can't stand his personality or I just think he's really annoying, then I'll just avoid speaking to him.

"I just say to myself, 'Okay, this is a penis that is going to feel really nice inside of me'.

"I think of them as a really good vibrator. But that's not the case with all of the guys. There are awesome male performers with great personalities."

COCK-A-HOOP: Cherie loves a good length

Electra's boobs need rubbing!

STUNNING Electra Morgan reckons her massive 32F boobs get in the way of her favourite hobby – hiking!

The 32F babe loves nothing better than donning a pair of stout leather boots, cagoule and backpack and heading into the hills.

By WENDY THOMAS
news@sundaysport.co.uk

But Electra, 28, who's from Middlesbrough, says her huge busters mean it's uncomfortable to wear a rucksack when she's out walking.

She said: "My boobs are so big the straps sit on them and make it really uncomfortable. It's okay for a day, if I take lots of stops, but there's not way I could go on a multi-day hike.

"I'm resigned to the fact that I'll never do Wainwright's Coast to Coast walk."

So if you ever see Electra out hiking, offer to rub her boobs better!"

Dear Ava,

MY wife recently caught me shagging her younger sister – just as I was shooting my mess over her boobs.

I love my lass, but if you saw her little sister you'd understand why I couldn't keep my dick to myself.

She's studying to be a nurse and I love her uniform.

One night, about two weeks after she'd moved in with us, I came home early from work to find her studying on the sofa wearing a tight, white T-shirt and a pair of white panties.

I could see her fanny through her knickers, and her 21-year-old arse cheeks looked good enough to eat.

My missus is threatening to leave me but I still love her. What to do?

JW, Bolton

Ava says...
THAT'S what you get for thinking with your dick, and not using your brain, you fking idiot!**

Dear Ava,

ON a recent holiday with my boyfriend in the Canaries, we had an argument and he stormed off.

I ended up getting tipsy and getting off with a pretty hotel barmaid – and we went back to her room.

We fell on the bed and began to snog and fondle each other. Her lips were so soft as she explored my mouth with her tongue.

Then she began to rub my pussy and slipped two fingers up and sent me into a furious orgasm.

Next we got in the 69 position and brought each other off.

Now we're back home I'd like to try a threesome with my fella and another fit girl – does that sound reasonable?

DW, email

Ava says...
SURPRISE him – bring a sexy female mate back with you one night. I'm sure he'll love it!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week AVA DALUSH has been reading through your letters and emails. Here's her advice...

Sex with babe and her breast mate!

Dear Ava,

I HAVE made a vow which I am determined to stick to – no more SHAGGING behind my girlfriend's back!

We got engaged recently and so I reckon it's only fair that I do my bit and stop having sex with her best pal.

It all makes me out to be a complete bastard I know, but any fella reading how it started will fully understand my situation.

When I first went out with my wife-to-be, she was incredibly shy and got her best mate to do all the groundwork, so to speak.

Well, my girl is well-fit but her mate is even better-looking.

Incredible

We worked together in a pub at weekends, and my girl – who was then just another regular – would hang on after closing and wait for her mate to finish before going off clubbing together.

I used to chat to her and we seemed to hit it off. But she didn't seem to take the bait.

Then her mate began chatting to me behind the bar about how this other girl wanted to get off with me, so one thing led to another and we did.

But I was really turned on by the fact that this friend of hers was in on it and knew everything we were up to.

After several dates, the chance came for me and my new girlfriend to cut the crap and get some serious action in.

And, I have to say, sex with her was incredible – it lasted for hours, it seemed, and she was a real revelation.

She did a tantalising strip down to her sexy undies and suspenders, and then lowered herself onto me.

My erect six-incher was now fully ready to go and she took pretty much the lot in her mouth as her tongue flicked around the tip.

At last I could stand no more and climbed on top of her, entering her and pumping away until I exploded inside her.

Trouble is, the next time her best pal and I were working behind the bar, I sensed her friend's attitude to me had changed a bit.

She was dropping all sorts of hints about "big boy" and "hot pants" and touching my bum.

Turns out my girl had confided in her about our sex session.

And this REALLY turned me on.

It was like she knew my most intimate details and I couldn't resist.

So I started a sizzling affair with this girl, who got really excited by the fact that she was shagging her best pal's fella.

It was the most sensational sex I'd ever had because we did it in the open air, in the pub cellar, at bus stops, everywhere.

The thrill of illicit sex was simply overpowering.

But now my girl and I are engaged, I decided to stop.

Aren't I good?

GH, Colchester

Eva says...

I HOPE she never finds out what sods you and her pal are!

Why don't we stage our own Bush Tucker Trial? Only we'll call ours the TUSH F*CKER TRIAL! Basically, it involves you banging me up the sh*tter
Hmmm... here it is. Yeah, go on then - I'll have a bit of that!

Ava says...

THAT would make great TV!

SUNDAY Sport SEXY BACK END!

Luna: give me Amor pasties!

ROMANIAN beauty Kuna Amor says the best thing about living in the UK is Gregg's pasties!

The 32G beauty moved to Crouch End, London, three years ago and has become addicted to the flaky pastries.

Luna, 29, said: "I love the cheese and onion pasty and the Cornish one, too.

"I also like the iced bun – it's so silly to put icing on bread but it's so nice."

However, it's not just our fast food treats that Luna likes – she's partial to a bit of British cock, too.

She added: "Your British men are so forward. They say, 'I like your boobs, can I feel?' And of course I let them."
